

COVID-19 Policy

Guidance The Jumpin Allstars team is following the guidance of Brighton Area Schools and the Livingston County Health Department as both locations (private lessons and the workshop) reside in this school district. As of 9/26, the current school and county guidelines are as follows:

Key Return to School Components:

Component	Primary Plan
Mask Use	Not required (*). The voluntary wearing of masks is encouraged.
Physical Distancing	Not required.
COVID-19 Screening / Testing	Not required.
Ventilation	Ventilation systems in buildings will continue to operate to original design specifications. On school buses, windows may be opened slightly when safe and practicable.
Staying home when sick/getting tested	Students or staff with symptoms of infectious illness such as COVID-19 should stay home.
Contact Tracing in Combination with Isolation & Quarantine	In collaboration with the Livingston County Health Department schools will continue to do contact tracing and quarantine students exposed to COVID-19 in a school setting when necessary.
Cleaning & Disinfection	Standard daily cleaning protocols using products approved by the CDC to be effective against the COVID-19 virus.

Our Staff Even though the school and county health department do not require masks to be worn inside of the school, **WE ARE REQUIRING ALL OF OUR STAFF TO WEAR MASKS** when indoors at the JumpStart workshop (except when eating and drinking) for the increased safety of attending participants.

Workshop Attendees As we are following the guidance of the school system and county health department, we are not requiring masks to be worn by workshop attendees. However, we are strongly recommending them to be worn.

Subject to Change As I'm sure everyone understands, this is a very fluid situation and things can change at any time. We will continue to monitor the situation and if anything changes and additional restrictions need to be put in place, the Jumpin Allstars team reserves the right to increase restrictions to align with any future increased restrictions. We will reach out to everyone as quickly as we can if any changes need to be made.
