

Jumpin' Allstar's Performance Information and Request Form

Jumpin Allstars is a youth based jump rope performance and competition team from Livingston County, Michigan. We do performances for many different venues: schools, religious and community organizations, sporting events, parades and Radio Disney. Members of the team have performed in Israel, England, South Africa, at the Macy's Day parade and throughout the United States. Our team competes at local, regional, national and world levels.

Desired performance criteria: We prefer a 20 x 20 hard floor surface performance area. We prefer not to jump indoors where there are lower ceilings, carpet or outdoors on grass as these environments make rope turning and performance moves difficult to execute. We will arrive approximately 30 minutes prior to a performance to warm up.

School Assembly/ Church /Organization performances: This type of performances can be customized to fit your needs. Our team can jump for approximately 25 minutes and then work in smaller groups with audience participation.

Half-time Performances: This type of performance will be approximately 10 minutes and can be customized to fit your needs. Please notify us of sound requirements/logistics.

Standard Performance Fee: The money raised from our performances is solely used to help sustain the team and offset team expenses. To run a world class organization we need to rent practice facilities, purchase equipment and train with other world class athletes and coaches. In addition, the team incurs substantial competition fees and travel expenses. Performance fees are \$250 per performance + travel expenses (mileage). All checks can be made out to **Jumpin' Allstars**. We would be happy to provide you with a W-9 tax form, if needed. The team appreciates your support!
